CAMP UPLIFT

Be a force of awesome!

Your kids will have fun, while being inspired to be kind, compassionate, and supportive.

PARENTS

The Dragonfly Foundation knows the impact caring can have on others, and how a small action can grow to help many. We are excited to offer incoming 5th and 6th graders a week-long camp where they will learn they have the power to help individuals and “uplift” a community.

No good deed is too small, from holding a door, to taking the initiative to do the dishes, to saying kind words. Kids need to know that even a small act can have a profound impact, and that larger actions are worth at least trying. We hope to inspire kids to make their world -- and THE world -- a better place, and to provide them with the tools they need to follow their inspiration.

Fun activities, lots of games, and cool guests will:

- Build confidence
- Encourage kindness and understanding
- Foster teamwork
- Show kids that they can make difference and have a positive impact on others

The camp, which runs from June 5-9, will be followed by a ceremony on June 10th where Dragonfly co-founders will present campers with a Student Ambassador certificate, a special pin, and a camp photo. (Family and friends are invited to attend.)

**Help Create Heroes
At home. At School.
In Our Community.**

NOTE: All adult camp personnel have successfully completed background checks.

Your kids will learn to be a force of **AWESOME!**
