

**Parker Loudermilk**  
July 12, 2013 - March 30, 2016

Lexie's Dragonfly is in memory of Parker Loudermilk. Parker is greatly missed by his friends and family. He inspired them with his courage and strength as he fought cancer..

## WHAT IS DRAGONFLY?

The Dragonfly Foundation helps young cancer and bone marrow transplant patients and their families find their strength and empower their flight. We do this by providing relentless support, relevant materials, and transformative experiences.

Dragonfly programs are dedicated to improving the patient experience during treatment and supporting quality of life for the patient and family as they move from diagnosis to long-term recovery.

**MEET  
LEXIE**

Hello! My name is Lexie, and I'm a typical 13-year-old. I play volleyball, babysit, and hang out with friends. I have been inspired to be a force of awesome, and want to engage the local community, and raise money and awareness for The Dragonfly Foundation.

I really hope you will join us on September 23rd by either walking, running, or just donating a few dollars to help this wonderful organization. Your participation will bring strength to these kids and their families dealing with the horrible effects of pediatric cancer.

See you there!  
Lexie

**"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."**  
-Margaret Mead
